The
true depth of our lives
is invisible – like snow that
vanishes when it melts, yet never truly
fades away. The true depth of our lives is
invisible – like snow that vanishes when it melts,
yet never truly fades away. The true depth of our lives
is invisible – like snow that vanishes when it melts, yet
never truly fades away. The true depth of our lives is invisible
– like snow that vanishes when it melts, yet never truly fades

s away. The true depth of our lives is invisible
melts, yet never truly fades away. The true
now that vanishes when it melts, yet never
r lives is invisible – like snow that vanishes
away. The true depth of our lives is invisible –
yet never truly fades away. The true depth of
nishes when it melts, yet never truly fades
